Paddy Cycles Service Scheduling:

- In order to schedule a service, contact Paddy Cycles on Facebook or via email, paddycycles@gmail.com
- Service time is based on current workload and parts availability. For a more accurate timeline, it is best to get in touch with Paddy Cycles directly.
- Paddy Cycles will pick up your bicycle from your place of work, and drop it back off again when the service is completed. Distance exceptions do apply.
- Paddy Cycles will provide a quote for all work before it is completed. Any changes to the quote will be communicated in writing before continuing.
